**FOR IMMEDIATE RELEASE – October, 19, 2010**

**Announcing “Pultruded Composite Products & Systems”  
New Product Brochure**

Creative Pultrusions, Inc. proudly announces the availability of its new product brochure, “Pultruded Composite Products & Systems”. The new brochure is an upgraded version, giving you the most current information available on the products and systems Creative has to offer, including:

- Custom Products
- Pultex® Standard Structural and SUPERSTRUCTURALS
- SuperLoc™ Composite Sheet Pile System
- Grating, Flooring, Decking and Panel Products
- Utility Products

Visit <http://www.creativepultrusions.com/library.html> to view the new brochure or contact us at 1-888-CPI-PULL (274-7855) or [sholler@pultrude.com](mailto:sholler@pultrude.com) for a print copy today!

CPI is a world-class pultruder that utilizes the most advanced manufacturing processes to provide high-end profiles. Originally founded in 1973, CPI was acquired by Hill & Smith Holdings PLC (HS) in September 2008. A global leader in the design, manufacture and supply of infrastructure products, galvanizing services and building and construction products, HS has sales of over \$700 million. Headquartered in the UK and quoted on the London Stock Exchange, HS employs some 3,300 staff across 54 sites, principally in the UK, France, USA, Thailand and China.
